

How God is Using Your Gifts

Our church is so blessed to have generous members that have given the following:

Church Softball Team registration	\$ 740
Playground & Equipment for the new building	\$ 6,664
UMW gave \$2,500 and the remainder was from Pennies for the Playground \$674, Gold Fundraiser \$3,066, and miscellaneous donations \$424.	

Did You Know?

The church pays workers compensation, liability expense, maintenance such as dumpster fees, pest control, building repairs, and utilities.

TOTAL YTD	\$ 17,710
-----------	-----------

These are your gifts keeping your church and ministries doing God's work.

Now we have new opportunities.

If you were at church on Sunday, March 8, you can understand we need a new sound system. If you are in the choir, you can understand we need a new choir room piano. Your thoughtful consideration is greatly appreciated. Please make your donation to the general budget.

Thank you!
